CUSTOMIZATION

WE CAN MAKE THESE TYPES OF CUSTOMIZATIONS

Daedo has a long history and the best technique for personalizing most of our products in our catalog. Send us your design and we will assist you in selecting the best option for your ideas.

EMBROIDERY

We embroider directly on doboks, belts, polo shirts, cotton T-shirts, parkas, windbreakers, tracksuits, etc.

EMBLEM CATALOGUE

We also have a catalogue of emblems that can be embroidered.

TEXTILE VINYL

We print textile vinyl on judo uniforms, polo shirts, cotton t-shirts, polyester t-shirts, windbreakers, parkas, tracksuits or backpacks.

POLYESTER SUBLIMATION

We sublimate on white polyester t-shirts, on black t-shirts we use textile vinyl.

DIRECT PRINTING

We print directly on cotton t-shirts thanks to the latest technology in direct printing, so no additional film or plate is needed.

HOW DOES IT WORK?

STEP 1: MAKE YOUR ORDER

Make sure that the product that you choose has a personalization symbol:

STEP 2: SEND US YOUR IDEAS

We have different techniques for you, sublimation, embroidery and vinyl. Additionally we have an extensive catalogue of embroidered emblems. Consider the material and design for stamping when sending us your ideas.

STEP 3: PRICE ESTIMATION

Daedo will contact you to send a price estimation and communicate about the delivery date for your personalized product.

ANY QUESTION?

If you have doubts about your personalization, please contact us. Our team will make sure to get the best personalization for you.

*Personalized products cannot be returned. A return will only be accepted in case of a personalization error. Please be sure to carefully review the personalization details before placing your order.
